SUBJECT: Photographic Intelligence Division County Fair

1. On 23 and 24 April 1964 the Photographic Intelligence Division will conduct a "County Fair" exhibit in their area on the north end of the third floor. All CIA Headquarters personnel having the basic NPIC clearances have been invited to attend the exhibit. All such agency personnel will be issued a special yellow badge (sample attached) on entering the building. This badge restricts their movements to the "Third Floor, North Only".

2. Personnel in your division or staff should be cautioned that even though individuals wearing this special badge have the clearances necessary to enter Building 213, they do not have permission to enter any area except that occupied by PID. Should anyone wearing this special badge be found in any other part of the building, they are to be escorted to the Security Office, 1 N 427.
